

OBRÁZEK 2.13 | Plynulé čtení, dynamická cvičná otázka 3

The image shows a software interface for a PISA 2018 reading comprehension task. At the top left, it says "PISA 2018" next to a progress bar with five segments, the first of which is filled. To the right of the progress bar are icons for a power button, a question mark, and navigation arrows. Below this header, the interface is split into two main areas. On the left, there is a blue box containing the text "Věty" and "Cvičení". Below this box, instructions in Czech read: "Přečti si větu. Klikni na ANO, pokud věta dává smysl, nebo klikni na NE, pokud věta nedává smysl." The right area is a large white space where the sentence "Muž přijel autem k obchodu." is displayed in bold. Below the sentence, the options "ANO" and "NE" are presented as clickable buttons.

Správná odpověď je **Ano**.
