

List of Tables and Diagrams

Table 1	Results of comparison of founding documents of schools with reality	15
Table 2	Educational strategy and planning in visited schools in the school year 2007/2008	16
Table 3	CSI participation in selection interviews with applicants for head teachers and directors of school facilities	17
Table 4	Evaluation of how managerial skills of head teachers are used in practice	17
Table 5	Selected economic indicators in evaluated schools and school facilities in 2006	20
Table 6	Structure of expenditure from the state budget in 2005 and 2006 and its development	21
Table 7	The share of direct education costs in the total state budget expenditure and the level of funding by types of school in 2006	21
Table 8	Expenditure per performance unit according to types of school	22
Table 9	Level of funding in 2006 by types of school and school facilities	22
Table 10	Selected economic indicators in evaluated schools and school facilities	23
Table 11	Structure of state budget expenditure in 2006 and 2007 and its development	24
Table 12	The share of direct education costs in the total state budget expenditure and the level of funding by types of school in 2007	24
Table 13	Expenditure per performance unit according to types of school	25
Table 14	Level of funding in 2007 by types of school and school facilities	26
Table 15	Size of identified groups of pupils expressed as a proportion of their total number in the basic schools visited in individual regions in the school year 2007/2008 (as%)	33
Table 16	Forms and scope of support of children and pupils with special educational needs in the school year 2007/2008	34
Table 17	Trends in the development of the rate of injuries in schools between 2005/2006 and 2007/2008	39
Table 18	Strengths and weaknesses of SEPs in kindergartens	45
Table 19	Evaluation of support of the development of child psychology in kindergartens	46
Table 20	Strengths and weaknesses of SEPs in basic schools	47
Table 21	Strengths and weaknesses of SEPs in six-and eight-year secondary general schools (gymnazium)	48
Table 22	Evaluation of the quality of teaching of social science subjects in basic schools	50
Table 23	Evaluation of work with pupils with SEN within the teaching of social sciences in basic schools	50
Table 24	Evaluation of work with gifted pupils within the teaching of social sciences in basic schools	50
Table 25	Evaluation of the quality of teaching of natural science subjects in basic schools	52
Table 26	Evaluation of quality indicators of work with pupils with SEN within the instruction of natural sciences in basic schools	52
